MRC London Intercollegiate
 Doctoral Training Programme

2020-21 Studentships

The Doctoral Training Partnership (DTP), which is funded by the Medical Research Council, is a collaboration between two specialist institutions: St George's, University of London (SGUL) and the London School of Hygiene & Tropical Medicine (LSHTM).

The aim of the DTP is to provide integrated skills training to develop a cohort of biomedical and public health scientists with world-class expertise in areas of strategic importance to UK and global medical research.

MRC LID is overseen by the board of management which comprises academics from both institutions.
